Warrant

To the Inhabitants of Dalton, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Dalton on Tuesday, the 10th day of March next, at ten o'clock in the forenoon to act upon the following subjects. The polls will be open at 12 o'clock and will close at 6 o'clock in the afternoon.

1. To choose all necessary Town Officers for the ensuing year.
2. To see if the Town will vote to give the Selectmen the right to issue temporary loans in anticipation of taxes.
3. To see if the Town will vote to accept the Budget for 1970 as prepared by the Selectmen and appropriate the amounts therein or to make any changes.
4. To see if the Town will vote to change the Town Meeting from 10:00 A. M. to 7:00 P. M. The polls to open at 10:00 A. M. and stay open until 6:00 P. M.
5. To see if the Town will vote to have published in the Coos County Democrat newspaper, or Town Report names and amounts assessed of all taxpayers paying over Three hundred (\$300.00) or Four hundred (\$400.00) dollars in taxes to the Town of Dalton for the year 1970.
6. To see if the Town wishes to exclude from the plan (Social Security) service in any class or classes of positions of election officials or election workers for a calendar quarter in which the remuneration paid for such service is less than \$50.00.
7. To see if the Town will vote to raise \$400.00 for Whitefield Regional Airport winter maintenance.
8. To see if the Town will vote to raise \$500.00 for ambulance service. This is temporary until some other solution can be worked out.
9. To see if the Town will vote to allow the Fire Department and Selectmen purchase a different Fire truck when one becomes available at a cost not to exceed \$4500.00.
10. To see if the Town will vote to buy the field between the Town Hall and the Allan Bean residence for later town use at a price of \$2,000.00.
11. To see if the Town will vote to buy a new truck to replace the Dodge and raise money to pay for the same.

12. To see if the Town will vote to increase the salaries of the Town Officers and furnish meals for election officials at all elections and Town Meetings as needed.

13. To transact any other business that may legally come before this meeting.

Given under our hands and seal this 19th day of February, 1970.

Orthopedic 2

Immunizations were administered to 21 school children, and 11 children received immunizations at the clinics held in Whitefield in the spring. Three children have attended and are currently being followed, at the Orthopedic Clinics in Berlin, and one child is being followed in the Pediatric-Cardiac Clinics in Lancaster.

All of the Dalton children who attend schools in Whitefield are immunized under the school health programs.

To be in harmony with the life forces of today's world, the accent of our efforts must fall on involvement. Action takes place at home. It is here that ideas are born and programs are carried through. The joint efforts of individual members of the community are needed for an accurate appraisal of the gaps between services and needs in that community. Viewed in this light, responsible citizens from all walks of life should come together and take action to improve community health. Local action moves concern into action.

Those of us engaged in public health, are eager to help local groups - help themselves; but, we need and solicit your cooperation in keeping us informed of your local health problems, so that we can be available for guidance and counseling in your community, as the need arises.

I wish to express my gratitude for the cooperation extended by the Citizens of Dalton during the past year, and it has been a pleasure to serve you.

Respectfully submitted,

ELEANOR D. KENNEY, R. N.
Public Health Nurse, District No. 2

Dalton Planning Board

The "Coos-6 Project" is a Federally aided comprehensive planning study for the Towns of Stratford, Northumberland, Lancaster, Dalton, Jefferson, Whitefield. After more than a year of discussions and application procedures, the project was authorized in October of 1969 with an allocation of Federal funds covering two-thirds of the total cost of \$50,000 for the program. The local third is being shared collectively by the six towns and was authorized at previous Town meetings.

The purpose of the program is to provide each Town with a comprehensive development guide which will establish priorities for local action and provide tools necessary to guide future growth. By undertaking this task jointly the program cost to individual Towns has been reduced enormously and an additional benefit is the opportunity to review regional or mutual areas of interest which otherwise would not be possible.

So far, the study has been concerned with gathering information and specific planning is not expected to commence until the spring of 1970. Work items which have been completed as part of the data gathering stage include existing land use surveys of all of the Towns, housing and environmental conditions, community facilities and natural features. Base maps have been made for all of the Towns in the area and draft reports of data mentioned above are currently in preparation for use by the local planning boards.

The program is being coordinated by representatives of each of the planning boards in the six-town area. Introductory meetings have been held with members of local planning boards and boards of selectmen in each of the Towns during the fall and winter. Numerous individuals and other public officials have also been met by members of the planning team. Further meetings of a more formal nature are scheduled to begin in the spring when the actual preparation of planning recommendations will begin.

The consultants have been favored by splendid cooperation from officials and individuals in the entire area and special thanks are due to all of those who have given freely of their time and contributed much to getting this unique program under way.

PLANNING BOARD

Conservation Commission

The Town of Dalton Conservation Commission was authorized in accordance with R.S.A. 36-A The powers of the Commission are investigative and advisory. Any recommendations advanced by its members would be subject to a vote at town meetings. The Commissioners are appointed by the Selectmen.

Several meetings were held throughout the year, and many men hours were involved by the Commission members and other interested citizens.

The picnic area, still under development, has accomplished the following: clearing of brush, installation of a dry hydrant, some land fill and grading, and initial work on the drainage ditch.

Future plans for the area include installation of signs, adding picnic tables, building of bridge across brook, completion of drainage operations, and final landscaping.

The Commission has now embarked on another project considered vital to the entire community. That project is the one of adequate fire protection. The project includes developing a town fire pond protection plan, aided by the Selectmen and Fire Department, with the assistance of the Soil Conservation Service.

It is felt that with strategically placed ponds the town will increase its effectiveness in the area of fire protection, thereby adding to the value of the community.

The Commission wishes to again offer its thanks to Mr. and Mrs. Burbank, Mr. and Mrs. St. Cyr and Mrs. Lillian Adams family for their cooperation and support in the further development of the picnic area. We are indebted to the Selectmen for their tireless efforts in contributing to the progress of the project, and for the use of the Town's equipment. We also appreciate the help received from those people who volunteered their time and services to help make the project a reality.

The past year has seen some progress, however, without the financial and moral backing of the Town's people the accomplishments would not have been as noticeable. The Commission is most appreciative of your support.

Report of the Forest Fire Warden and District Chief

The 1969 fire season was a quiet one in this area. Frequent rains kept the danger to a minimum and there were few violations. Your Forest Fire Warden's job would be easier if everyone understood the State laws that govern the kindling of outdoor fires. A synopsis of these laws follow:

Fire Permit

A fire permit is needed for all outdoor fires in or near woodland anytime the ground is not covered with snow. This includes household waste burning, even if in an Incinerator, grass burning, garden trash as well as brush burning. Such burning is restricted by regulation to be prior to 9:00 a.m. and after 5:00 p.m.

Exceptions

Commercial or Industrial burning is allowed anytime under normal conditions with permission of the District Chief and a permit from the Fire Warden.

Camp or cooking fires are allowed on your own property with permission of the Fire Warden. On another's property with written permission of the landowner and permission of the Fire Warden. The Warden can forbid such fires if in a hazardous area. Permits for cooking fires in the White Mountain National Forest can be obtained from the Laconia Office or at the Ranger Stations. Permits are not required in public camp or picnic grounds where fireplaces have been built for this purpose.

Penalties

1. For kindling a fire without a permit. Maximum of \$200.00 fine; or imprisonment for not more than 60 days.
2. For kindling a fire by any means wilfully or recklessly that shall endanger woodlands the maximum fine is \$500.00 or one year's imprisonment.
3. For failure to totally extinguish a camp or cooking fire before leaving it the same penalties as in (1) above.
4. For dropping inflammable material in or near woodland maximum fine of \$25.00.

Fire prevention is a personal matter and a good habit. Keep our town free from smokes in 1970.
